CAREER OBJECTIVE

Motivated Computer Science Engineering student with a strong interest in Artificial Intelligence, Machine Learning, Data Science, and Software Development. Skilled in Python programming and interested in building practical AI-based applications. Seeking opportunities to apply technical knowledge and develop industry-ready skills.

EDUCATION

Bachelor of Engineering – Computer Science and Engineering

2025 – Present

KGiSL Institute of Technology, Coimbatore

CGPA: 7.78 / 10

Higher Secondary Education (Class XII)

2025

Tamil Nadu State Board

Percentage: 85%

TECHNICAL SKILLS

Programming:	Python, C, Java
Data Science:	Pandas, NumPy, Matplotlib
Machine Learning:	Scikit-learn, Regression, Classification
Web Development:	HTML, CSS, JavaScript, Flask, Streamlit
Database & Tools:	MySQL, SQLite, Git, GitHub, VS Code
Core Concepts:	Data Structures and Algorithms

PROJECTS

Student Performance Analyzer

Technologies: Python, Streamlit, Machine Learning, Scikit-learn

- Developed an ML-based application to predict student final scores based on study hours, attendance, previous marks, and assignment scores.
- Implemented Linear Regression for prediction and integrated performance visualization with personalized recommendations.
- Achieved an R^2 score of approximately 0.87 on the evaluation dataset.

AI Resume Analyzer

Technologies: Python, Flask, PyPDF2, HTML, CSS, JavaScript

- Developed a web application for analyzing uploaded PDF resumes and providing actionable improvement suggestions.
- Implemented robust PDF text extraction using PyPDF2 and designed a modern, responsive web layout.

CERTIFICATIONS & ACHIEVEMENTS

Certifications

- Python Programming – HackerRank
- AWS Solution Architecture – AWS
- Python for Beginners – Online Certification
- Introduction to Machine Learning – Online Course

Key Achievements & Soft Skills

- Developed multiple Python and ML projects.
- Participated in technical & coding activities.
- Soft Skills:** Problem Solving, Communication, Teamwork, Time Management, Adaptability.

INTERESTS

Artificial Intelligence • Machine Learning • Data Science • Software Development • Competitive Programming

DECLARATION: I hereby declare that the information provided above is true and correct to the best of my knowledge.
